554 2<sup>ND</sup> AVE @ 31<sup>ST</sup>

MINIMUM DONATION:  
\$1000 PER TEAM (10 PERSON TEAM,  
CORPORATE MATCHING SUGGESTED)

## WHAT YOU ARE SUPPORTING:

The Power Breakfast Club, a new curriculum for students that integrates the development of a healthy body and mind with the cultivation of personal empowerment and entrepreneurial skills. The Club participants will design their own community projects, which include a school garden, a

smoothie shop and a school wellness program. We will be bringing this program to two schools in New York and one in San Diego.

## MISSION STATEMENT:

Play 4 Life Inc. is a national 501c3 non-profit organization committed to transforming the lifestyles of America's youth through health and fitness awareness.

We organize nutrition, education and physical fitness programs to instill the values of integrity, discipline, work ethic, responsibility and self-empowerment for school kids. With the lack of funding in schools and the proliferation of video games and fast food, kids are becoming increasingly unhealthy and inactive. Our programs will advance

today's youth to realize their goals and dreams by understanding that a healthy body can produce and sustain a healthy mind
